The season of Lent invites all of us to take a close look at our lives, turn our minds and hearts back to God and to intentionally prepare to renew our baptismal promises at Easter. There are a myriad of resources and opportunities parishes and schools can use during Lent. As you prepare to guide your faith community through Lent, take a peek at some of the amazing tools available at the 'click' of your mouse!

I discovered an outstanding bilingual resource for providing catechesis to your community all through Lent. Check out [Keeping the Seasons of Lent and Easter 2019](#). [Click here](#).

Joe Paprocki's [Catechist's Journey](#) arrives in my inbox every afternoon with helpful and insightful suggestions for Catholic school teachers and parish catechists alike. His article, [Are You Ready for Lent](#), contains an amazing list of helpful ideas, articles and learning activities and his new resource, [Lent With The Saints](#), is excellent.

Loyola Press has compiled excellent Lent Resources worth exploring. [Click here](#).

The United States Catholic Conference of Bishops (USCCB) website is always a good place to start. Their Lent Calendar is worth a look. [Click here](#).

I enjoyed receiving short daily video reflections from [Dynamic Catholic](#) during Advent so much that I already signed up for their [Best Lent Ever 2019](#) series.

The Liturgical Catechist has become one of my favorite sites for video clips, articles, links and ideas. I highly recommend looking through their list of Lent resources. [Click here](#).

The Religion Teacher website also has great Lent activities. [Click here](#).

Busted Halo is a great website especially for those who work with teens and young adults. Take a look at [25 Great Things You Can Do for Lent](#) and [Ash Wednesday & Lent In Two Minutes](#).

The Catholic Apostolic Center Lent Resource page is worth a visit as well. [Click here](#).
