

Join Us for A Summer Full of Adventure

Through Camp Explorations, our school age summer camp program at **Bright Horizons**[®], your child will have the opportunity to enjoy everything summer has to offer. During action-packed days, your child will experiment with science and technology, engage in the creative arts, discover nature, and explore the world. With experienced teachers, a curriculum based on each child's interests, engaging projects and activities, special visitors, and more; summer will be fun and educational at the same time.
