

Family Activities & Events

2019

At **Bright Horizons**[®] we take our responsibility to partner with you very seriously. One way we strive to do this is to provide opportunities for you and your family to have fun together, learn together, and meet other families at various events throughout the year. We hope you will join us!

Family Partnership Calls

Research shows that the earlier a parent gets involved in their child's educational process, the more powerful the effects. We invite you to join our Family Partnership Group. Our calls are the third Wednesday of each month at 1pm. Please use the following line: 1-888-886-4283, pin 324-710-4751. Agendas are sent the day before.
